

Barnston Primary School Newsletter

Friday 3rd May

The warmer weather seems to be creeping in – let's hope that it is here to stay!
We hope you enjoy finding out a little more about what this fantastic team have been doing with your children...

This week, **3E**, created their own factual television programme as part of their science lesson. They were pretending to be **scientists** and explained all about how sound travels and the **process of hearing**.

To give a clear example they used musical instruments to demonstrate this process.

Well done 3E!

Year 6

I would like to take a moment to say **well done** to all of you for all of your **hard work** in getting ready for the SATs. It is not easy but you are doing it all with a **smile** on your face - literally.

Well done Year 6!

'leaving no stones unturned'

Attendance

We aim for 100%

Thank you to everyone for making sure that your children get to school on time every day – it is so important so that there are no gaps in learning!

Class	%	Class	%
1M	98.18	1LW	96.52
2P	96.67	2N	98.00
2J	99.00	3H	96.33
3E	98.67	3D	99.68
4P	95.56	4T	95.36
4W	98.80	Whole School Attendance:	

Summer is on its way! 

Summer is around the corner and whilst I am highly aware that we live in Britain it is still important that we look after the children as well as we can. Therefore on sunny days can you please make sure that your child has:

- ✓ **all day sun cream** applied in the morning **before they come to school**;
- ✓ a **sun hat**; and
- ✓ a **water bottle** that has their name on it.

It is so important that they are ready for whatever the British weather has to offer us!

School Play Equipment

We are so lucky at Barnston to have some great **climbing equipment**. If it was my choice I would leave the gates open so you could come and access it with your children, anytime. Sadly, I cannot allow anyone to use the equipment without a **member of staff present** – I have asked! So can I ask that you encourage your children **not to use the equipment** as **accidents** can happen and we would **hate for anyone to get hurt**. Thank you!

Food Bank

Year 3 and 4 carried out a **fantastic assembly** this week sharing the importance of **helping others**. Their focus – collecting food for the **food bank**. They taught me that **donations are falling** but **need is growing**. If you would like to support Year 3 and 4 can you please make a **small donation by the 10th May**.

Important Dates:

13.05.24: Year 6 SATs Week

15.05.24: Year 4 Residential
