Friday 17th May

We hope that the sun keeps shining and that you manage to get out and enjoy it this weekend!

Thank you for sharing in the schools success' this week!

Year 4

This week, **Year 4** have gone on their **school residential to Min-y-Don**. I have had so many updates from Ms Nichols over the last few days expressing how **magnificently behaved** the children have been and **grabbing every opportunity with both hands**.

I would like to take a moment to **thank the staff** that go along. It is a big ask for which they get nothing extra in return. They are literally their because of their **passion to provide children with a wonderful experience**. Thank you all – we couldn't do it without you!

SATs Week

A **huge congratulations** to Year 6 who completed the SATs papers with confidence and a permanent smile on their face!

Attendance

We aim for 100%

Thank you to everyone for making sure that your children get to school on time every day – it is so important so that there are no gaps in learning!

Class	%	Class	%
1M	98.11	1LW	98.19
2P	97.78	2N	99.72

Safety before school!

It is so lovely to see the **enthusiasm of our pupils** every morning. We have some children who come and wait outside for school to start – sometimes from 8:30am. However, can I please make you all aware that before 8:55 your children are **not supervised**. Therefore, waiting outside school is **not the safest option**. Please make sure that your children set off for school so that they are **arriving at 8:55** when the school day begins. That way **adults are available if needed**.

Year 3 and 4

Last week Year 3 and 4 organised a **whole school** collection for a local food bank. Currently people are **struggling** so much that donations have become **minimal to food banks** which has obvious further problems to those who can't provide for their families. Thank you Year 3 and 4 for seeing a need and doing something about it!

Well done
Year 3 and 4!
